Sheridan Firefighters Association
Presents

**2nd Annual
FIREHOUSE FUNFEST
SATURDAY, JUNE 26**

Please accept this invitation and join our fire department in giving back to our community, families, friends, and fellow Firefighters. As most of you know, we have been having our Fourth of July BBQ for about 30 years. We have been well supported by our community and fellow Firefighters. This year it's time to celebrate the brotherhood, friendships, and support we have received over the years.

This year we are kicking off our holiday events with a party at the American Legion. Please join us as we enjoy the music of the band "Say Uncle". The beer garden will be open at NOON. Come early as Bucket Brigades start at 2:00pm.

Send inquires to Jason Crose at... sheridan803@hotmail.com

BUCKET BRIGADES:

Our bucket brigade will not include the use of scaffolding therefore all teams are welcome from any community. Tavern teams, business teams, community teams, police teams, Church teams as well as fire departments just to name a few.

All entrants must be at least 16 years old. Five person teams.
